

My name is Douglas Rydberg, I have a open case in United States District Court, I sent a letter a couple months ago, and never received a confirmation or response. When possible can you please inform me the status. I am limited to mail correspondence.

I as well have had no luck obtaining any council, I have confirmation Civil Right lawyers are very busy with immigration policy. I also with the timing of this letter sent my 3rd attempt to the Nebraska Bar Assoc. they have never responded back. Im on a limited budget and certified mail is almost not possible.

The facility is continuing to take my court obligation fee, I have nothing to hide, since they now know of a attempt at holding them accountable, they are targeting and retaliating against me. I desperately need a representative to speak and stand up for me. If at all possible can a lawyer be recommended or appointed. Please
